

2013 Old Stones Chardonnay

One of our favorite wines on the production team. We craft this wine from the Temperance Hill Vineyard and certain barrels from our estate vineyards that create a wine that is based on vibrancy, minerality and succulence.

It is white gold in color with a healthy green chlorophyll tint which tells me this wine has a long and beautiful life in front of it. There are classic Chardonnay aromas of citrus blossoms, lime and citrus zest, saffron, savory and spicy and a mineral expression like the smell of wet stones.

On the palate this wine has astounding purity with tight and powerful structure that is energetic and all about citrus and stone fruits but has a delicious core of sweetness that makes this wine so delicious now but will be hard to resist in 3-5 years. I recommend decanting before serving if drinking in 2016.

DRINK 2016 THROUGH 2026.
