2014

Our gargantua Syrah from California comes from the Bien Nacido Vineyard in the Santa Maria Valley. The vineyard is perched high up on the silty Limestone hillsides of the Z block overlooking the Santa Maria Valley, with the Pacific Ocean to the west. This awesome wine that represents everything I love about Syrah. It has a style reminiscent of a Cornas from the southern end of the northern Rhône valley. This inky dark wine has meaty aromas of olive tapenade, black salted licorice, creosote, savory herbs, tomato leaf...Is this liquid pizza? In a wonderful way, this wine is almost devoid of any discernable fruit characteristics as it is a savory, earthy, salty and just plain delicious with fine melting tannins. This is going to be so much fun to drink and watch evolve over the years.
