

gargantua

2015

The 2015 gargantua Syrah from Washington is our first release of this highly anticipated addition to the lineup. It hails from the 'Les Collines' vineyard in Walla Walla, Washington and comes to us by way of a fruit trade with our friends from Gramercy Cellars. The 2015 gargantua Washington is perhaps the most fruit-driven wine of the three Syrahs. It is guided by dry herbs, floral potpourri, sweet blackberry, dark raspberry and slight green peppercorn notes. This is a ripe, sweet wine with a great core of fruit and a fine, ripe tannic structure. There is a wonderful savory finish to this wine and this Syrah continues to unfold and unfurl in bottle ever since it was bottled.
