WINES

VINTAGE GUIDE

1999 *Long, cool year and Indian summer led to wines of elegance with high acidity. DRINK NOW*

2000 *Warm, dry, steady summer gave tannic, earthy reds and rich white wines of texture. DRINK NOW - 2023+*

2001 *Large crop and warm year. Bright, fruit-driven wines with good acidity. DRINK NOW - 2023+*

2002 *Warm, dry season with small crop. Very concentrated, dark Pinots and lush whites. DRINK NOW - 2023+*

2003 *Hot, early year. Alcoholic wines with green tannins. Many wines past their prime. DRINK NOW*

2004 *Challenging year made wines of earth and spice with great concentration. Showing fine tertiary complexity. DRINK NOW*

2005 *Classic Oregon vintage for structure, acidity and concentration. Showing fine tertiary complexity. DRINK NOW*

2006 *A very hot vintage with large-scaled wines. Opulent reds and whites with higher alcohols and round texture. Showing fine tertiary complexity. DRINK NOW*

2007 *Late and rainy vintage led to high acid, and structured wines. Most wines approachable now. Chardonnays ready to drink now, or past their prime. DRINK NOW*

2008 *Classic Oregon vintage for structure, acidity, and concentration. Very slow to evolve. Great quality. DRINK NOW - 2023+*

2009 *Very hot vintage with large crop and large-scaled wines. Pinots and Chardonnays marked by higher alcohol and lower acidity. Many wines flattering now. DRINK NOW*

2010 *Late vintage ravaged by birds. Low yields and high acids led to very perfumed and elegant wines. Chardonnays and Pinots are spicy and textured. DRINK NOW*

2011 *Floral perfumed and elegantly textured classy and crunchy wines to drink over the medium to long term. DRINK 2023-2033+*

2012 *Warm, dry, steady summer gave tannic, earthy reds and rich white wines of texture. DRINK NOW - 2023+*

2013 *Large crop and warm year. Bright, fruit-driven wines with good acidity. DRINK NOW - 2023*

2014 *Warm, dry season with small crop. Very concentrated, dark Pinots and lush whites. DRINK NOW - 2023+*

2015 *Hot, early year. Alcoholic wines with green tannins. Many wines past their prime. DRINK NOW*

2016 *Challenging year made wines of earth and spice with great concentration but low acidity. Many wines ageing rapidly. DRINK NOW*

2017 *Classic Oregon vintage for structure, acidity and concentration. Ageing rapidly. DRINK NOW*

2018 *A very hot vintage with large-scaled wines of low acidity. Opulent reds and whites with higher alcohols and round texture. DRINK NOW*

2019 *A precociously warm spring and summer led to a cool and moody fall season with Pinot Noir and Chardonnay picked at low sugar levels with good juicy natural acidities. Floral perfumed and elegantly textured classy and crunchy wines to drink over the medium to long term. DRINK 2023-2033+*
